Is It Complete Or Is It Compleat?

That is Always the Question ...

Unless your Materials Are Cataloged By Brodart's Compleat Book Serv.

No vendor or outside agency can know your collection the way you do. However, if your cataloging department is fighting a losing battle with your current acquisitions and your faculty, staff and students are screaming for the latest releases, Brodart's Compleat Book Serv is the answer. Our contract technical services are tailored to your library's unique specifications so that materials are not only available to your university's community quickly, but can be placed on your shelves immediately and are ready for circulation.

Librarians continue to ask "is it complete or is it compleat?" Since 1986, Brodart has been answering that question with its premiere contract technical services - Compleat Book Serv. With Brodart, your collection's materials are Compleat.

Book Services**
Over a Half Century of Putting
Good Ideas to Work for You

94 years young and still growing, we are now located in 14 countries as far as England, Holland, South America, Australia and Japan, where 600 staff look after the needs of our library customers. Our close and long established links with our North American customers are now being strengthened even more. From August 1st, our Customer Service Department moves to our US office in Exton, PA. bringing European quality of service to your door backed up by the full resources of our publisher liaison departments, located in Holland at the heart of scholarly publishing.

Growing beautifully

...and we continue to develop the services you need:

FAST-our journal consolidation service. DATASWETS-our on-line customer communication link. SAILS-our PC-based library management system. SWETSCAN-the electronic table of contents service. E-MEDIA-for all electronic publications.

If you would like to know more about how Swets can help you with your serial needs, contact Charlene O'Donnell, Sales Administrator.

YBP MEANS "FULL SERVICE"

A "full service" book vendor provides much more than top-notch firm order supply, standing order services, and approval plans. Today's libraries demand a full menu of information services and technical support. That's what you'll find at YBP.

Superior Firm Order and Continuations Supply.

Begin with the basics: timely, accurate supply and phenomenal customer service.

Expert Collection Management Services.

Complete coverage and precise approval plans plus customized selection services, innovative supplemental approval options (Paper Preferred and British coverage), large scale collection development project support, shelf-ready plans and more...

YBP's FOLIO Online.

Unmediated Internet access to an ever expanding menu of interactive services: approval and serials bibliographic information, order placement services, shipment history, order status information, online management reporting, and much, much more...

Library Technical Services Support.

Top it off with a complete range of library technical services: machine-readable catalog records customized to your requirements, spine labels and cards, barcodes, binding, security stripping or targeting, ownership stamping, etc.

To make your reservation for automatically processed and fully shelf-ready books, contact our Library Technical Services Division at 1-800-258-3774. YBP is an OCLC PromptCat provider.

Actual Screens-March, 1995

Compare Books-in-Print Plus and The Title Source...and you can see for yourself that The Title Source is far more accurate. Not just the March, 1995 edition, but any month you choose to compare.

Which is particularly impressive when you consider that Baker & Taylor's The Title Source also provides more information. In fact, it's the most comprehensive CD-ROM title database available of book, audio and video titles-in-print, out-of-print and forthcoming. Over 1.8 million titles on one disk!

Sound overwhelming? Not at all. The Title Source is extremely user friendly and there are over 75,000 subject headings that enable you to access the exact information you need quickly and easily.

How can one source provide more information... more accurately... month in, month out? Because Baker & Taylor is the source. Our long-standing relationships with the world's publishers insure that we have the most current title information, which is why there are over 130,000 updates to The Title Source each and every month.

The Title Source from Baker & Taylor. Truly incomparable. For more information on this powerful reference tool and our flexible subscription plans, call 1 (800) 775-1800. International customers, please fax 1 (908) 429-4037.

Subscribe to the World Edition!

With over 2.5 million American, British, Canadian, Australasian and European English-language titles on a single monthly CD-ROM, The Title Source, World Edition, is the world's most comprehensive reference tool. Features include:

- U.S., U.K., and Australian editions listed side-by-side.
- Cover price in U.S. dollars, U.K. pounds, or Australian dollars.
- Comprehensive search options—from country of origin to key words.

New and Recommended Publications From Mary Ann Liebert, Inc.

ALTERNATIVE & COMPLEMENTARY THERAPIES

Bimonthly publication for health care practitioners covers mind/body medicine, chiropractic, acupuncture, Chinese medicine, nutrition, vitamin therapy, and other non-traditional holistic health specialties. It includes profiles of innovative programs and leading authorities.

Volume 2, 1996

Bimonthly, ISSN: 1076-2809

- ☐ USA \$110, plus \$12 p&h
- ☐ Overseas \$140, includes p&h

THE JOURNAL OF ALTERNATIVE & COMPLEMENTARY MEDICINE:

Research on Paradigm, Practice, and Policy

This peer-reviewed journal is an important archival source for research in alternative medicine. Includes observational and analytical reports on treatments outside the realm of allopathic medicine that are gaining interest and warranting research to assess therapeutic value. Under the guidance of an internationally respected editorial board, the journal's primary goal is to establish rigorous research methodologies.

Editor-in-Chief: Marc S. Micozzi, MD, PhD

Senior Editor: Fredi Kronenberg, PhD

European Editor: Kim A. Jobst, MA, MRCP

Volume 2, 1996

Quarterly + Suppls., ISSN: 1075-5535

- ☐ USA \$120, plus \$12 p&h
- ☐ Overseas \$150, includes p&h

AIDS Patient Care

(1995-1996 BRANDON & HILL SELECTION)

This pragmatic journal publishes papers that span the full spectrum of HIV disease diagnosis, treatment, prevention, and education. It presents direct, informative material that can be applied to daily clinical practice. *AIDS Patient Care* meets the information needs of physicians, nurses, administrators, educators, and other professionals in AIDS care.

Editor: Kevin Blanchet

Volume 10, 1996

Bimonthly, ISSN: 0893-5068

- ☐ USA \$107, plus \$12 p&h
- ☐ Overseas \$155, includes p&h

MICROBIAL DRUG RESISTANCE: Mechanism, Epidemiology, and Disease

(Increased to Bimonthly in 1996)

The powerful emergence and global spread of antibiotic resistant microbial pathogens and resistance genes in the 1990's presents challenges to a wide range of disciplines—from the molecular biology of resistance mechanisms, virulence genes, and disease through molecular epidemiology all the way to drug design, infection control, and medical practice. This new international journal provides a multidisciplinary forum for peer-reviewed original publications as well as topical reviews and special reports. Indexed in *Cambridge Scientific Abstracts*.

Editor: Alexander Tomasz, PhD

Volume 2, 1996

Quarterly + Suppls., ISSN: 1076-6294

- ☐ USA \$175, plus \$12 p&h
- ☐ Overseas \$220, includes p&h

TISSUE ENGINEERING

Authoritative new peer-reviewed journal focuses on the engineering of new biologic tissues. Brings together scientific and medical experts in the fields of biomedical engineering, material science, molecular and cellular biology and genetic engineering.

Co-Editors: Charles A. Vacanti, MD

Anthony G. Mikos, PhD

Volume 2, 1996

Quarterly + Suppls., ISSN: 1076-3279

- ☐ USA \$176, plus \$12 p&h
- ☐ Overseas \$220, includes p&h

TELEMEDICINE JOURNAL

Peer-reviewed journal concerned with the transmission of all aspects of clinical medicine practice, technical advances, enabling technology, and research including the transmission of digital images and information from one location to another, interactive videoconferencing, for diagnosis, treatment, and education, plus the impact of telemedicine the quality, cost effectiveness, and access to health care. The official journal of the American Telemedicine Association.

Editor: Mark A. Goldberg, MD

Volume 2, 1996

Quarterly + Suppls., ISSN: 1078-3024

- ☐ USA \$172, plus \$12 p&h
- ☐ Overseas \$216, includes p&h

BOOKS

THE AUTHOR'S GUIDE TO BIOMEDICAL JOURNALS:

2nd Edition, Revised and Expanded. Complete Manuscript Submission Instructions for 250 Leading Biomedical Periodicals.

Contains the complete and unabridged instructions for manuscript submission for 250 biomedical journals. The book is compiled alphabetically by journal title and includes an index of the publishers' names, addresses and phone numbers.

1996, Approx. 700 Pgs.

ISBN: 0-913-113-72-7

- ☐ USA \$184, plus \$12 p&h
- ☐ Overseas \$214, includes p&h

GENE THERAPY - A Handbook for Physicians

Nature Medicine, May 1995 writes-- "As a front-line participant in pioneering and continuing studies in gene therapy, Culver has the credentials to write on the subject. His efforts to this end are most welcome. (Professionals in the field will not be sated by its content, but those of us on the sidelines have much to gain from reading it.)"

Editor: Kenneth W. Culver, MD

1994, 128 Pgs.

ISBN: 0-913-113-63-8

- ☐ USA \$59, plus \$5 p&h
- ☐ Overseas \$70, includes p&h

ADVANCES IN ANTI-AGING MEDICINE

The book sponsored by the American Academy of Anti-Aging Medicine (A4M), takes medicine beyond gerontology to the point where aging is not inevitable, but is reversible and treatable. Chapters cover scientifically and biomedically proven forms of detection, prevention, and reversal of aging-related diseases, plus life-extending technologies and medical protocols. Includes 10-year bibliography and appendix of suppliers, associations, and organizations.

Editor: Ronald M. Klatz, DO

1996, approx. 400 Pgs.

ISBN: 0-913-113-71-9

- ☐ USA \$135, plus \$12 p&h
- ☐ Overseas \$150, includes p&h

ANNOUNCING COMPREHENSIVE ORGANIC FUNCTIONAL GROUP TRANSFORMATIONS 7-VOLUME SET

Editors-in-Chief

Alan R. Katritzky, FRS, University of Florida, Gainesville, USA

Otto Meth Cohn, University of Sunderland, Sunderland, UK

Charles W. Rees, FRS, Imperial College of Science, Technology & Medicine, London, UK

Comprehensive Organic Functional Group Transformations (COFGT) covers in seven volumes the vast subject of organic synthesis in terms of the introduction and interconversion of functional groups. All organic structures can be considered as skeletal frameworks of carbon atoms to which functional groups are attached or in which they are embedded. These functional groups are largely responsible for chemical and biological activity and it is these functional groups which are highlighted in **COFGT**.

COFGT will be the first point of reference for synthetic organic chemists and to all those interested in the synthesizing of compounds, including such diverse groups as electrical and mechanical engineers, materials scientists, medicinal chemists, biochemists and more. It will appeal to all academic and industrial researchers together with instructors at all levels.

Featuring:

- Contributors: over 200 internationally-recognized experts in their fields
- Approximately 500 tables
- More than 40,000 structures
- Over 43,000 references
- Thorough indexing-over 64,000 entries
- Extensive cross-referencing within sections and through chapters

Comprehensive Organic Functional Group Transformations

Encyclopedia of Nuclear Magnetic Resonance

EDITORS-IN-CHIEF

David M. Grant,
University of Utah, USA

Robin K. Harris,
University of Durham, UK

In December 1995, **John Wiley & Sons** will publish the *Encyclopedia of Nuclear Magnetic Resonance*, a unique and outstanding 8-volume reference covering the whole range of NMR in all fields of science and medicine, emphasizing and reflecting the interdisciplinary nature of NMR.

- Over 720 in-depth articles providing a thorough source of the whole of the science of NMR
- World-renowned editorial and advisory boards
- Approximately 6000 pages in a large, clear double column format
- **Volume 1 - Historical Perspectives** - provides a unique account of the history and development of NMR (available as an individual purchase - see below*)
- Extensive cross-referencing of related articles, comprehensive reference listings and indexing
- Extensive illustration, featuring photographs, line drawings, graphs and spectra
- Pre-publication offer price available on 8-volume set

ENCYCLOPEDIA OF
VIROLOGY *plus*

ENCYCLOPEDIA OF VIROLOGY PLUS

Edited by

R.G. Webster and A. Granoff

Praise for the Print Version

"I consider this encyclopedia to be a valuable addition to my own virology library. I believe the readership which will most benefit by this work includes basic scientists in virology and microbiology. If clinicians, students, and others need access to this information, they will find it on the shelves of libraries which choose to house this compilation, and I hope that many libraries will make that choice."

—HARLEY A. ROTBART, University of Colorado
School of Medicine

"The *Encyclopedia* is user friendly...Frequent subheadings direct the reader to the appropriate material. The many photographs, figures, and tables enhance the text...The *Encyclopedia* would be a valuable addition to the reference libraries of medical schools, veterinary schools, graduate schools, and hospitals."

—NEW ENGLAND JOURNAL OF MEDICINE

"Over 250 articles examine all phases of animal, insect, plant, and bacteriophage viruses....The *Encyclopedia of Virology* is recommended for reference departments of academic, medical, and corporate libraries."

—MEDICAL LIBRARIES DISCUSSION GROUP ON INTERNET

The print version of the *Encyclopedia of Virology*, published in 1994, is one of Academic Press' finest achievements, receiving excellent reviews and recognition in the field. The CD-ROM version will contain many enhanced features, including structural photographs and diagrams

cross-referenced to the text, a new section of high-resolution, color coded images and animations, plus advanced searching facilities including a thesaurus, annotation functions, and a journal recording device to record a path through information searches.

KEY FEATURES

- Figure and table references will be "hot links"
- Quick search and advanced searching capabilities, including full text, fielded, boolean, proximity, and partial word searching
- Thesaurus, annotations, and bookmarking
- Public or private notes can be added
- Customized hypertext links
- Journal serves as a recording device for certain paths through the information
- Twenty QuickTime® animations and sixty 3-D color visualizations of viruses specially created for the CD-ROM
- All of the figures from the print version have been redrawn and given a background color relating to the type of virus described

SYSTEM REQUIREMENTS

The Dynatext® disk can be used on **Windows™**, **Macintosh®**, and **UNIX** (HP UX, AIX, SUN OS, Solaris, IRIX, UNIXWARE, OSF) machines, and it will be networkable on a wide range of common systems.

Stand-Alone: \$475.00
January 1996/ISBN: 0-12-000103-9

For more information on the networkable version, please contact the publisher.

POWERFUL PLUS SYSTEM™ CD-ROMs

BIBLIOGRAPHIES

BOOKS IN PRINT WITH BOOK REVIEWS PLUS™

The complete *Books in Print*® database with critical reviews from the most esteemed book reviewing media — over 235,000 reviews from 12 sources with more than 30,000 added annually!

BOOKS IN PRINT PLUS™

Retrieve bibliographic data on nearly 1.5 million bindings and 45,000 publishers and their addresses. Search by 19 categories including over 72,000 LC subject headings.

BOOKS OUT OF PRINT WITH BOOK REVIEWS PLUS™

Now enhanced with 60,000 full-text book reviews, you can now identify, evaluate, and verify the status of some 680,000 titles declared OP/OSI from 1979 to the present.

INGRAM-BOOKS IN PRINT PLUS™ INGRAM-BOOKS IN PRINT WITH BOOK REVIEWS PLUS™

Weekly title-by-title updates of the Ingram book, audio, and video inventories — along with Ingram's speedy Flashback electronic ordering system — added to the *Books in Print* database gives you the ultimate selection and ordering tool.

BOWKER/WHITAKER GLOBAL BOOKS IN PRINT PLUS™

Put over 2 million English-language titles published worldwide within easy reach; invaluable for buying, selling, or selecting books throughout the global marketplace.

LIBROS EN VENTA EN HISPANO- AMÉRICA Y ESPAÑA PLUS™ (Spanish Books in Print PLUS)

An important new resource that indexes 150,000 Spanish-language titles and bindings from some 5,000 publishers and distributors in 36 countries.

ULRICH'S PLUS™

Find full selection and purchasing information and a wealth of other data on some 190,000 periodicals and newspapers, as well as details on 83,000 publishers in 215 countries.

VARIETY'S VIDEO DIRECTORY PLUS™

Here's virtually every video and laser disc on the market, from how-to's to feature films — over 93,000 in 578 different subject areas — all captured and categorized for lightning-quick identification and retrieval. Includes thousands of full-text reviews from *Variety* as well.

BUSINESS & PROFESSIONAL RESOURCES

CORPORATE AFFILIATIONS PLUS™

Here are all the facts, figures, and records to help you unravel the complex maze of today's corporate relationships and structure — both here and abroad.

ADVERTISER & AGENCY RED BOOKS PLUS™

Isolate personnel data, budgets, sales volume, general agency information, and all the products and service specialties of firms involved in the advertising industry in a fraction of the time it might take otherwise.

PUBLISHING MARKET PLACE REFERENCE PLUS™

Access the entire book world — every conceivable name, address, activity, and support service relating to libraries, publishers, and bookstores — without leaving your desk.

SciTECH REFERENCE PLUS™

Here's an ultra-manageable library of the people, laboratories, corporations, books, and serials from today's sci-tech/high-tech community.

CHILDREN'S REFERENCE PLUS™

All the information you'll ever need — over 50 bibliographies, critical guides, and professional resources — to identify materials in every format, from books and serials to audiocassettes and videos.

BIOGRAPHIES

MARTINDALE-HUBBELL® LAW DIRECTORY ON CD-ROM

Access any of the more than 800,000 lawyers and 50,000 law firms across North America by name, location, areas of practice, clients, or any combination of these and more.

FORTHCOMING ABMS MEDICAL SPECIALISTS PLUS™ (contains the complete Official ABMS Directory of Board Certified Medical Specialists®)

View the complete career histories of over 447,000 physicians certified in any of the 25 medical specialties and 73 subspecialties of the American Board of Medical Specialties.

FORTHCOMING MARQUIS WHO'S WHO PLUS™

Get a personal glimpse at the lives of 490,000 of today's outstanding individuals and 6,000 notable figures from America's past.

In addition to current MS-DOS editions, most of our CD-ROMs will be available in Apple Macintosh and Microsoft Windows formats. Call our toll-free number for details.

Your Search is Over.

Faxon Finder's TOC (table of contents) services begin with one of the most comprehensive TOC databases, containing more than 12,000 journal titles. In fact, a recent independent study* comparing Faxon Finder® and UnCover™ confirmed the Faxon Finder database has a more thorough and broad coverage of subjects than UnCover.

So, if you're looking for a service with a TOC database that will yield effective search results, your search is over. You can choose from:

- ✓ **Faxon Finder Online™** gives you access to the complete database.
- ✓ **Faxon Finder on CD-ROM™** delivers the complete Finder database and search software on a set of monthly updated compact discs.
- ✓ **Faxon Flash™** search profiles alert you of relevant articles by automatically searching the database based on your criteria.
- ✓ **Faxon FlashTOC™** on the WWW lets you receive just the TOC for journals you select.

Each of Faxon's TOC services is complemented by speedy document delivery. Most articles ordered arrive in your hands in 24 hours or less.

End your search and call today.

Call us at 1-800-999-3594, ext. 167 or point your browser to: <http://www.faxon.com/>.

When it comes to journal article access, your search is over. With Faxon's family of TOC services, you'll find just what you're looking for—from online TOC database searching to single journal TOC ordering.

A DAWSON COMPANY

Power Up to Integrated Information Management with EBSCO.

Only EBSCO gives you the power to achieve the ultimate in information management with integrated subscription, electronic access and document delivery services. We offer:

- unparalleled global subscription service
- multiple databases via CD-ROM, database licensing and EBSCOhost (our new online, client/server, Z39.50 compliant host)
- online full text for over 1,000 journals
- customized current awareness services
- rapid delivery of virtually any document
- information management reports
- and proven customer service.

Powerful, integrated information management from one reliable, global source.

THE LEADER IN INTEGRATED INFORMATION MANAGEMENT

CHEMTECH

The Magazine of Innovation in Chemistry and Technology

ISSN 0009-2703

- Lengthen your patrons' reach into the field of chemical innovation
- Shorten your routing list
- Stretch your subscription dollars

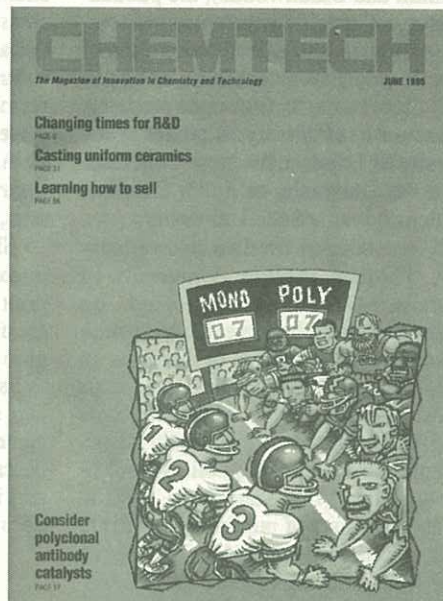

With CHEMTECH, your patrons get a monthly resource that helps them apply new chemical sciences concepts and technology, and gives them insights into every phase of innovation such as:

- Managing people
 - Funding research
 - Nurturing creativity
 - Market realities
 - Regulatory issues
 - The future of R&D
 - Intellectual property
- And much more!

**High readership . . .
High passalong
value High
return on your
investment**

CHEMTECH stays in such high demand among its readers that a second subscription is often a necessity to avoid the lengthy routing list. Now serve twice as many patrons without doubling the strain on your budget. For a limited time, purchase one CHEMTECH subscription at the regular institutional price, and add a second subscription for half price.

To qualify for the 50% savings both subscriptions must be mailed to the same address. Our special offer is backed by the ACS guarantee: If you are not satisfied with your subscription, you may cancel and receive a full refund.

CHEMTECH 50% Subscription Savings

Exclusively for Institutional Subscribers

Please enter my institution's subscription order (12 monthly issues per year) to CHEMTECH as indicated below:

- ☐ One subscription at the 1996 one-year rate of \$430.
- ☐ **Two subscriptions at the 1996 one-year rate of \$645.** (A savings of \$215 for the second subscription.)

ARTICLES IN PHYSICS

A NEW DOCUMENT DELIVERY SERVICE
FROM THE AMERICAN INSTITUTE OF PHYSICS

ARTICLES IN PHYSICS is a comprehensive document delivery service that can provide you with full-text copies of journal articles, conference proceedings papers, or even entire AIP publications. *Articles In Physics* provides immediate access to more than 30,000 scientific and technical publications including those published by:

- ❖ ACOUSTICAL SOCIETY OF AMERICA
- ❖ AMERICAN ASSOCIATION OF PHYSICISTS IN MEDICINE
- ❖ AMERICAN ASSOCIATION OF PHYSICS TEACHERS
- ❖ AMERICAN ASTRONOMICAL SOCIETY
- ❖ AMERICAN CRYSTALLOGRAPHIC ASSOCIATION
- ❖ AMERICAN INSTITUTE OF PHYSICS
- ❖ THE AMERICAN PHYSICAL SOCIETY
- ❖ AMERICAN VACUUM SOCIETY
- ❖ ASTRONOMICAL SOCIETY OF THE PACIFIC
- ❖ INSTITUTE OF NOISE CONTROL ENGINEERING
- ❖ INSTITUTE OF PHYSICS PUBLISHING, UK
- ❖ INTERNATIONAL CENTRE FOR DIFFRACTION DATA
- ❖ MATERIALS RESEARCH SOCIETY
- ❖ OPTICAL SOCIETY OF AMERICA
- ❖ THE SOCIETY OF RHEOLOGY

In addition to physics documents, *Articles In Physics* is an excellent source for documents in other disciplines. Backed by EBSCOdoc's extensive interdisciplinary collection of journals and its worldwide resources, researchers and librarians from around the world are able to obtain articles rapidly via mail, fax, or Internet fax. The turnaround time for in-house titles is 24 hours. Most other documents are shipped in one to four days.

Bailey's Industrial Oil & Fat Products,

Fifth Edition

Edited by Y.H. Hui

Volume 1:
Edible Oil and Fat Products,
General Applications

Volume 2:
Edible Oil and Fat Products,
Oil and Oil Seeds

Volume 3:
Edible Oil and Fat Products,
Products and Application Technology

Volume 4:
Edible Oil and Fat Products,
Processing Technology

Volume 5:
Industrial and Consumer
Nonedible Products from Oils and Fats

- Updated and greatly expanded — from 1800 pages in three volumes to 4000 pages in five volumes
- Each volume is topical and can stand alone as a self-contained reference
- Comprehensive — presents chemical composition and structure, reactions, extraction and isolation, processing, analytical methods, uses, and packaging of fats and oils, as well as quality control, environmental factors, and economics
- Includes detailed tables and illustrations, and an extensive bibliography

Since the publication of the first edition in 1945, **Bailey's Industrial Oil and Fat Products** has been established as the standard reference on the food chemistry and processing technology related to edible oils and nonedible by-products derived from these oils. Now expanded from three to five volumes, this **Fifth Edition** is the most comprehensive reference available on the modern technical processes involving oil and fat production.

Volume 1 • 0-471-59424-5 • \$150.00

Volume 2 • 0-471-59426-1 • \$150.00

Volume 3 • 0-471-59427-X • \$150.00

Volume 4 • 0-471-59428-8 • \$150.00

Volume 5 • 0-471-59429-6 • \$150.00

Five-Volume Set • 0-471-59430-X • \$750.00

*Announcing the
next generation
of the ultimate
poetry reference*

POEM FINDER® 95

Put **POEM FINDER 95** to work
for you — it's fast, flexible,
economical, and space saving.

"Highly recommended."

—Booklist/Reference Books Bulletin, 5/15/94,
—Media & Methods, 12/94,
—Technology Connection, 2/95.

*Selected by the American Library
Association's Reference Books Bulletin
Editorial Board as an Outstanding
Electronic Reference Source.*

—Booklist/Reference Books Bulletin, 5/15/94

"An invaluable research tool..."

*POEM FINDER's strength is its gargantuan
database... unrivaled when it comes
to tracking down poems... in short:
if poem finding's the racket,
POEM FINDER can back it."*

—PC Magazine, 9/27/94.

POEM FINDER 95, the largest, most comprehensive, and most current poetry index, is the brand new cumulative update to **POEM FINDER 94**. **POEM FINDER** constantly evolves and grows, reflecting the vitality and dynamism of the world of poetry. And, it's responsive to user requests!

HIGHLIGHTS:

- Indexes nearly 500,000 poems
- Indexes poetry from anthologies, single-author collections, and periodicals
- Provides full bibliographic information for print sources of the poems indexed
- Contains authors' biographical data
- Searches by: any word in poem title, first/last line, subject, keyword, poem dates, author name, pseudonyms, birth/death dates, gender, religion, nationality, profession
- Provides collection-tagging to display your own collection on screen

PLUS...**POEM FINDER 95** CONTAINS THESE NEW FEATURES:

New! • Full-text authors' biographical prefaces

New! • Definitions of poetic forms and meters
(linked to examples)

New! • Poem dating

New! • Poem extracts

New! • 30% increase in periodicals covered

Annual subscriptions include 2 cumulative discs a year (at 6 month intervals)! 40,000 additional poems added for each update plus major new features.

Rebates on old print indexes are available.

The Definitive Guide to Occupational Health and Safety

COMING JANUARY '96—PATTY'S ON CD-ROM!

PATTY'S INDUSTRIAL HYGIENE AND TOXICOLOGY

Coming January '96, *Patty's Industrial Hygiene and Toxicology* on CD-ROM.

Patty's Industrial Hygiene and Toxicology has long been the definitive reference in the field providing occupational health and safety professionals, medical personnel and toxicologists with the most reliable information on industrial hygiene principles and practice. Containing all 10 parts of the print edition, including full text, charts, tables and illustrations. *Patty's* CD-ROM includes the following features:

- Simple and complex Boolean searching capabilities
- Hyperlinked references, tables and figures
- Notes allow users to attach comments to the text electronically
- Ability to select and print sections of the content
- Expandable table of contents allows you to scan contents at different levels of detail
- Bookmarks allow you to mark a location and then jump to it from anywhere in the text

It offers quick access to information on toxic substances, chemical agents, research trends, worker exposure data, regulations, and more. Users can perform both simple and complex Boolean searches. All references, tables, and figures are hyperlinked to the text.

CD-ROM ISBN 0-471-13530-5

ALSO AVAILABLE IN PRINT!

VOLUME 1 GENERAL PRINCIPLES, 4E, PARTS A & B

Edited by George D. Clayton & Florence E. Clayton

Long-established as a classic guide to the concepts of industrial hygiene and toxicology.

Part A 0-471-50197-2 / 1991 / 1079 pp. / cloth / \$198

Part B 0-471-50196-4 / 1991 / 1120 pp. / cloth / \$198

Volume 1: 2-Part Set 0-471-55205-4 / cloth / \$350

VOLUME 2 TOXICOLOGY, 4E, PARTS A-F

Edited by George D. Clayton & Florence E. Clayton

Offers the most reliable and comprehensive guide to toxins commonly found in industrial settings.

Part A 0-471-54724-7 / 1993 / 968 pp. / cloth / \$195

Part B 0-471-54725-5 / 1993 / 846 pp. / cloth / \$195

Part C 0-471-54726-3 / 1994 / 763 pp. / cloth / \$195

Part D 0-471-57947-5 / 1994 / 880 pp. / cloth / \$195

Part E 0-471-01282-3 / 1994 / 992 pp. / cloth / \$195

Part F 0-471-01280-7 / 1994 / 745 pp. / cloth / \$195

Volume 2: 6-Part Set 0-471-54727-1 / cloth / \$995

SPECIAL CD-ROM INTRODUCTORY OFFER

\$1,795

through 4/30/96, \$2,195 thereafter.

CD-ROM ISBN 0-471-13530-5

"[Information] all workers in the field of industrial hygiene should have access to..."—*Annals of Occupational Hygiene*

VOLUME 3 THEORY AND RATIONALE OF INDUSTRIAL HYGIENE PRACTICE: THE WORK ENVIRONMENT, 3E, PARTS A & B

Part A edited by Robert L. Harris, Lewis J. Cralley & Lester V. Cralley

Part B edited by James Bus, Lewis J. Cralley & Lester V. Cralley

Explores the latest ideas and innovations concerning the work environment. Includes new sections on risk analysis and professional liability.

Part A 0-471-53066-2 / 1994 / 864 pp. / cloth / \$195

Part B 0-471-53065-4 / 1995 / 800 pp. / cloth / \$195

Volume 3: 2-Part Set 0-471-58677-3 / cloth / \$350

Perception & Reality

Perception

English language approval coverage is the same from all vendors.

Reality

Only Blackwell maintains their own buying offices in the US and UK to insure total pre-publication coverage of the entire range of English language scholarly titles.

Perception

All UK origin titles are available in the US.

Reality

Approximately 30% of UK origin titles **are not** distributed in the US within one year. Only Blackwell provides timely 100% coverage of English language scholarly titles.

Perception

US editions are cheaper than their UK counterparts.

Reality

60% of titles are less expensive in their UK editions. Only Blackwell offers approval customers a choice of editions.

Only Blackwell's Preferred Edition provides the REALITY of complete, timely English language Approval coverage

Hard-to-Obtain Books? MIDWEST LIBRARY SERVICE Won't Take "NO" For An Answer

We do not accept publishers' OP, NOP, and TOS reports without further research to determine their validity. Our research specialists are dedicated to locating hard-to-obtain titles. Their efforts consist of:

1. Verification of customer's information in BIP, Forthcoming Books, OP-OSI, CBI, etc.
2. Telephone confirmation from the publisher when there is evidence of availability.
3. Query the library when order information is in doubt.
4. Searching the market for out-of-print titles.
5. Checking for titles available in the U.K. which are often declared out-of-print in the U.S. Obtaining these books is part of our goal of "maximum fulfillment."

By diligent research we are able to locate many book orders that would otherwise be lost due to publishers' bad reports, inadequate research, or database dead-ends. Our researchers take over the hunt for titles where computers leave off. We will not cancel an order until we determine that a book is truly unavailable.
